

THE ISPCC IS CALLING ON ALL ELECTION CANDIDATES TO **#InvestInChildhood** BY MAKING AND KEEPING THESE PROMISES TO CHILDREN

- Publish a national strategy on children's cyber safety within 100 days.
- Fully resource the protection, welfare and mental health of our children.
- Ensure the right to an adequate standard of living for all children.
- Ensure a nationally available drug and alcohol rehabilitation network for all young people in need.
- Put the best interests of children at the heart of all new laws and fully implement, resource and evaluate same.
